Dear Brother in Islam Dr. Umar Azam,

Assalamoualaikum warahmatullah wa barakaatuh

Thanks for your heart-warming thanks but really I've been honest throughout and pray that Incha-Allah you do write about this subject. Indeed in Surah Ash-Shura, Allah clearly states that He talks to whomever He wants through a veil or through an angel... (and in other verses also)

Thanks for the copy of the Quran. I've got it.

I hope that you got an enriching Ramadhan and wish you a very happy EID-UL-FITR MUBARAK...

Wassallaam alaykum wa rahmatullah wa barakaatuh

Shukr Allah

May Allah be satisfied with you and give you Jannat and happy life.

Dear Doctor Umar

I have a serious talk with you and am asking you to consider this case with the big attention. I am from Kazakhstan and the Kazakhs are considered to be Muslims but only few follow Sharyah.

Now we face the hardships we are not able to overcome without Allah's help and world community. We say we are Muslims but even nowadays we do not possess right Tafsir in Kazakh of holy Qu'ran and Hadiths. We have a lack of materials, good books CDs DVDs and others. then Kazakh Muslims do not have connection with world Muslim community.

Please For Allah's Sake help us to solve problems I am asking you

Our government does not pay attention to us so do the rich people

Make dua for us

Respectively yours

# [IGR] Fwd: religious materials needed

From:

"G.Waleed Kavalec" <kavalec@gmail.com>

[View contact details](#)

To:

info@muslim-cananda.org

Salaam alaikum all

I was disappointed and embarrassed for our Ummah to read this.

----- Forwarded message -----

Greetings,

My name is Wayne Moore and I am the Coordinator of Spiritual & Religious Care at Central East Correctional Center, Lindsay Ontario. I am a Christian Minister and it is my responsibility to care for inmates of all faiths. Our department facilitates all religious material and professional religious visitors to inmates in this very large prison.

It is government policy that faith communities, (Muslim, Christian, etc.) provide appropriate religious materials for inmates who are from their faith group.

I am sorry to say that the Muslim community is the only group who does not regularly provide us with Holy Writings and other material. We give out thousands of Bibles each year as they are requested. We give out many hundreds of free Christian-based correspondence courses; for Muslims, nothing.

Through various means I have even appealed to the Council of Imams, without even an answer. We do have an Imam, Mehmet Gul, who comes when he can and has brought a few Qur'ans, which he paid for himself. I know he cannot afford this.

The Holy Month of Ramadan just ended and I am ashamed to say that most of our Muslim men did not even have a Qur'an to read during the month.

The local Masjid is well aware of the situation, in the past 3 ? years, (since the prison opened), they have provided us with 6 Qur'ans

Here is what we need, in order of priority.

Qur'ans: We have 40 Muslims right now who need one. About 30% can read Arabic. We have numerous requests each month from inmates who are from other religious backgrounds but would like to read the Qur'an.

We could easily use 200 Qur'ans a year, a mixture of Arabic and English (translations) . This prison can hold 1,200 people and the turnover is high. A lot of people come and go through this prison in one year.

Basic information about Islam: Inmate from a Muslim background, but never practiced are unable to even do the basic prayers. We need basic materials that can tell them how to perform Wudu.

Two months ago, for the first time since this prison opened 3 ? years ago, a person donated a box of books and pamphlets. These pamphlets included much of the basic information about Islam, The Prophet (pbuh) and Salat.

This box of books were gone within minutes and numerous Muslims were > left without anything. The men who did get some material were very grateful.

Note:

What we CANNOT give out in a government facility (hospitals, senior's homes and Jails) is any material that degrades any other religion.

Video Tapes/DVD's on Islam, The Prophet (pbuh), Salat, Zakat, Hajj, The History of Islam, Conversion process etc.

Prayer mats. We currently give out extra bed sheets to be used as a prayer mat.

Anything you can do to help us, or who we can contact would be appreciated by myself and every Muslim inmate in the prison.

Sincerely,  
Wayne B. Moore

Coordinator of Spiritual & Religious Care

Assalaumahaleikum From Kazakhstan

Dear may Allah be satisfied with you (radiAllahu) and let me express my gratefulness to you. Also let me have a serious talk with you. We, the Kazakh Muslims face now the hardships we are not capable to overcome without Allah's help. In Kazakhstan the Kazakhs are considered to be Muslims but few per cent of them pray bfive times a day. Moreover the most horrible thing is those Kazakhs who pray are Wahhabists (astagfirullah) and those who do not are Muslims. We do not have contaqct with world Muslim community as well, also our own web islamic site even good tafsir in Kazakh. The government does not wish to pay attention to us as they think developing Islam will create good conditions for extremism and the major adults do not accept for their Soviet atheistic prejudice.

But now it is time to change all this. But we need help. We need to corporate with world Muslims.

Please contact with me to discuss these matters further

AOA

Thanks a lot for informing me about these 2 links, first one is very useful but not the second one; reason being the language is not familiar for me.

And for future, I'll like 2 know about more such Islamic knowledge based links.

May God bless u.

Regards
