Wa laikum salam, Br Faqiri

Thank you for your question. See these links and then get back to me.

Below are some recommendations for online resources from Ibn Jabal tutors and students.

Online dictionaries

<http://www.ahlalheeth.com/vb/showthread.php?t=68151> (scanned PDF, good Arabic-Arabic dictionary for beginners)

<http://www.ahlalheeth.com/vb/showthread.php?t=67743> (There is also another cut down one which some say is a Mukhtasar of al-waseet, its called المعجم الوجيز)

<http://www.arabiclookup.com/default.aspx?en=beware> (Arabic-English dictionary)

www.tanzil.info (You can search the Qur'an using roots)

Other resources

<http://www.waqfeya.com/index.php> (These books are pdf (hence possible copyright infringement), so not really searchable)

www.dedew.net (Online recordings with some transcriptions)

www.almeshkat.com (you can download al-barnamij al-shamila (hundreds of searchable classical works in a single program))

I own Al Mawrid and hans wern and have copies of them on computer too. the one by Nadwi i have hard cover book but cannot seem to find a pdf, that was all i need but i dont think those links had it. one or two would not work on my computer because i am using a mac and the download from cnet was for pc and also the arabic sites i did not know how to use.
