Wa laikum salam, Br Kashif

Congratulations on your publishing venture.

I attach an English Translation of the Entire Holy Quran. It does not belong to me and appears to be in the public domain i.e. free of copyright. Would you like to print this after verifying its accuracy by comparing it to e.g. the translations of Abdullah Yusuf Ali or Mohammed Marmaduke Pkthal (in this regard see QURAN EXPLORER on my Site www.dr-umar-azam.co.uk)?

Salam, Br

I think I received the Attachment from some Islamic Group on the web [I can't recall which one]. There was no name of the translator when I received it. A good idea would be to get it checked by the Ulema/Translator [sorry I haven't the know-how to do this myself] and then they could certify that it is authentic; that would negate the need for the translator's reference.
