Here's some summarize feedback from end users for DQ-102B:

1) From Ahmed (Australia), Jan 12, 2008

it is appropriate! It makes reading while I'm traveling so much easier. The bookmark feature is great for reading through the Quran.

To see and hear verses during Quran study seems so much easier by touch screen.

Freely shift between translations and reciters during playing, great tool for anyone who wants to read the Quran.

2) From Susan (Canada), Jan 23, 2009

Im high school student and got my touch screen digital Quran from my father as birthday gift, and it is very awesome. I believe everyone should own one.

This is the best tool I have ever owned to study the word of God. And I love the Sketch, record and electronic dictionary very much also,

because it makes my note for lectures and search new words become easy!
